REQUEST TO CORRECT INVENTORSHIP

Sir:

Please correct the inventors of record in the above-identified patent application by adding **Alan Grace** as a joint inventor. The joint inventors are T. Allan Hamilton, who filed a Declaration with the filing of the present application and is currently of record as an inventor, and Alan Grace, who did not file a Declaration with the application. An originally signed Declaration for Patent Application of Alan Grace is being filed herewith.

This is not a case where the inventorship was incorrectly stated in an originally filed application. Rather, the joint inventorship was correctly declared in the original application papers but a Declaration of Alan Grace was omitted.

Also enclosed are copies of the Assignments and recordation papers in the present application. Assignments were executed and recorded by each of the joint inventors, including Alan Grace. Alan Grace and T. Alan Hamilton are clearly stated in these papers, submitted for recording with the application filed on December 15, 1998, to be joint

inventors. A Declaration of Alan Grace was, however, omitted from that filing. Accordingly, the Declaration of Alan Grace is being submitted herewith for filing.

Correction of the United States Patent and Trademark Office records to reflect Alan Grace as a joint inventor along with T. Allan Hamilton is respectfully requested. The processing fee set forth in 37 C.F.R. §1.17(i) is also being filed herewith.

Respectfully submitted,
